Dear Harvey,

I am writing this letter on behalf of the Design Committee at the Murano @ Portafino, to thank you and your team for the excellent job you did replacing our marble floor with the new and very complicated terrazzo floor.

We were all aware of the challenges intrinsic to our unique design. We are grateful to your installers for their meticulous follow through, and accuracy in the final installation.

Again, we thank you and commend you for your professionalism on behalf of our project.

Sincerely,

K. Mac Thames
