Key Resins Company  
Batavia, OH

**Chip Producer**

Fribel International, Inc.  
Berkeley, CA

The Owner commissioned three published Puerto Rican artists to paint culturally significant pieces that were to be used in the renovation of this upscale mall. Terrazzo was selected for its versatility of shapes and

colors. The Owner recognized that if these works of art were to be "brought to life," it could only be done with terrazzo materials and by terrazzo artists.

National Terrazzo & Mosaic Association  
1999 Honor Award

# terrazzo

THE NATIONAL TERRAZZO & MOSAIC ASSOCIATION, INC.

October 11, 2006

Artistic Surfaces
